Term 2 Week 8

6 June 2017

Principal's Message...

Attendance last week was 78%.

Miss Major's class is participating in the Cultural Program for the next two weeks.

Our Sports Day is this Friday 9th June. It will be held on the school oval. Come along and support your children.

This term we are having a visit from students attending Glenaeon Rudolf Steiner School in Sydney. They will be attending school from Monday 19th June until Thursday 22nd June. They will be working in classrooms and also spending time with Mr Arnold and Ms Levina participating in the cultural program.

On 19th and 20th of June the upper primary students will be attending a Transition To High School Day at the Katherine Showgrounds from 9:00am – 2:00pm. Year 5 students will come together on the Monday at the showgrounds from 9am to 2pm. The 6s on Tuesday also from 9am to 2pm. David Flood from Blue Eagle Muay Thai Training and Fitness will run the days consisting of rotations based on self-esteem, confidence and team work. We will also incorporate some Social and Emotional Learning activities and provide time for mingling and getting to know each-other.

On Friday 16th of June, MacFarlane will have a big breakfast from 7:00am followed by Fun Friday activities which will be held at the skate park, playground and the YMCA. Those students who have been following our school rules this term will be rewarded for their great attitudes with skating at the YMCA, the skate park and the playground. Those students who are not attending will be at school doing their work.

If you have changed your address or telephone numbers please inform the ladies in the front office.

Please send your children to school each day with recess and lunch. Lately we have a large number of students attending school with no food. We are able to assist in an emergency but not regularly.

Next Tuesday at 1:30pm we will be having a whole school performance. "Ananse Stories."

Have a lovely week.

Netball News

The MacFarlane Primary School team remain undefeated. They are working really well as a team and making sure that they use their skills they have been learning at training.

The Foxes last game was fantastic to watch. They have been incorporating their skills they have been learning and making sure they use their grounded foot, three feet and finding space on the court.

Foxes Best Player- Luke Johnson - Great listening on court and working together as a team.
MacFarlane team Best Player was Kim Assan for great improvement in positioning and team work.

Netball Training is on Wednesdays 3-4pm on the back netball courts. Game time Thursdays at the Town Netball Courts at 4:30 pm. Come and see our amazing MacFarlane teams!
